Scheduling

Is there currently an
agreed upon schedule?

YES

NO

Is there a court ordered schedule?

YES

NO

Please briefly describe the current schedule:

NOTE: There are many factors involved when KMS creates the schedule, including but not limited to: parent requests, children's schedules, transportation providers, center availability, and staffing capacity. KMS works diligently to meet the needs and requests of all parties involved and must manage and consider all of the above when creating the schedule. **KMS has final discretion regarding all scheduling. Confidentiality and privacy restrictions do not allow KMS staff to discuss scheduling limitations.**

What safety concerns do you have:

What else would you like KMS to know?

The Intake and Case Coordinator will contact you within 2-3 days to discuss next steps or to schedule an orientation. Orientation lasts about 1 hour and may be conducted via Zoom.

Please be prepared with **copies of all court orders**. Refusal to provide requested documentation or all court orders may result in Keep Me Safe declining services.

Please do not bring guests to orientation (whether onsite or via Zoom), unless specifically discussed with and approved by the Intake and Case Coordinator prior to the orientation.

Questions or concerns should be addressed to the Intake and Case Coordinator - KMS@cadamn.org or by calling **507-625-8688 ext. 115**.
